

AGI Tours Transfers 2008

I hope this finds you well and in preparation for your next vacations in Paradise.

I regret to inform you that due to the increase in our taxes and the recently announced increase in our fuel expenses for next year (and therefore, all of our auto part supplies), we are in need to adjust our fares.

As of Jan 1st 2008, we will have 4 ranks of prices, and since I don't want to increase the price for 1 or 2 passengers, we will have a special rate for couples.

Our fares for 2008 are as follow:

1-2 passengers: US \$70.00 O/W & US \$130.00 R/T.

3-4 passengers: US \$75.00 O/W & US \$140.00 R/T.

5-7 passengers: US \$85.00 O/W & US \$160.00 R/T.

8-10 passengers: US \$95.00 O/W & US \$180.00 R/T.

Although children less than 5 years old do not count for the pricing, it is important that we know if there are any and how old they are so we have all of them in our passengers list.

We will continue providing booster seats and baby seats upon request, without extra charge.

For those clients who want the "pit stop" at the 7-11 near by, there is no extra charge (except on Saturdays at the rush hours).

For those clients who want a "shopping stop" in Playa del Carmen, we will happily do it (except on Saturdays), up to 30 minutes without extra charge.

Our commitment:

We will continue serving you with our best efforts, searching for the excellence all the time, with our courteous drivers, our staff at the airport, and, of course my personal attention to all the details of your services for your comfort.

It is most important that all of our Palladium Family members know that we are investing in brand new vehicles for your comfort: All of our vehicles will be 2006, 2007 & 2008.

As you may see, we are working hard to improve the quality of our services.

See you **soon!**

Javier.
