### Why visit Tankah?

- **Oscar y Lalo restaurant** sits in a beautiful cove with literally nunn right along the water. The restaurant has great food (although a little they decorate each table with a palm and seashell centerpiece. You can beer commercials that show a beautiful, relaxing beach with the Caribbean background? At least one of those was filmed here. You can also paddle out to a reef for snorkeling. Note: "y" in Spanish means "and".
- **Blue Sky restaurant.** An excellent place for dinner. The waiter/ch is an interesting character who works magic in the kitchen. Very popular with Tankah residents.
- **Casa Cenote restaurant.** Great place for lunch. Try one of Gary's favorites or the popular Texas BBQ, served every Sunday beginning at noon.

**G1-Oscary Lalo restaurant.** This cove is also called **Soliman Bay**.
